This letter is formal notice by My Company Name, LLC ("My Company name"), the servicer ("Servicer") of the above-referenced loan ("Loan"), on behalf of PL Servicer Fullname 1 ("Lender"), that you are in default under the terms of the documents creating and securing your Loan, including the Note ("Note") and Deed of Trust/Mortgage/Security Deed ("Security Instrument"). The nature of the default is the failure to make the payments required for this Loan, as agreed to in the Note and Security Instrument. Failure to respond to this letter may result in the loss of the property ("the Property") referenced above.

As of the date of this notice, the total past due amount required to cure the default is \$53,760.00, which consists of the following:

Total Monthly Payments Due:	\$47,400.00
Late Charges:	\$560.00
Uncollected NSF Fees:	\$50.00
Other Fees:	\$550.00
Corporate Advance Balance:	\$5,500.00
Unapplied Balance:	<u>(\$300.00)</u>
TOTAL AMOUNT PAST DUE REQUIRED TO CURE DEFAULT:	\$53,760.00

You have a right to cure the default. To cure the default, you must pay the total amount past due of \$53,760.00 by 10/24/2022 (or if said date falls on a Saturday, Sunday, or legal holiday, then on the first business day thereafter). The total amount due does not include any amounts that become due after the date of the notice. This letter is in no way intended as a payoff statement for your Loan, it merely states an amount necessary to cure the current default.

Payment must be made by check or money order, payable to My Company Name, LLC, and sent to the address below. Please include your Loan number and the Property address with your payment and send to:

My Company Name, LLC
6860 Argonne Street

Subject to the terms of the loan documents, and applicable law, My Company name reserves the right to accept or reject a partial payment of the total amount required to cure the default without waiving any of its right to accelerate the loan obligation or proceed with foreclosure. For example, if less than the full total amount required to cure the default is sent to us, we can keep the payment and apply it to the debt but still proceed with acceleration and sale of the property since the default would not have been cured.

Please note that your right to cure this default, as referenced in this letter, does not suspend your payment obligations under the Note. Pursuant to the terms of the Note, the next installment payment is still due on 01/01/2021.

Failure to cure the default on or before **10/24/2022** may result in acceleration of the sums secured by the Security Instrument and sale of the Property. If the default is not cured on or before **10/24/2022**, My Company name at its option may require immediate payment in full of all sums secured by the Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law.

You have the right to reinstate your Loan after acceleration, pursuant to and subject to the provisions and limitations of your Note and Security Instrument. You also have the right to bring a court action to assert the non-existence of a default or any other defense you may have to acceleration and sale. In addition, you may have other rights under State or Federal Law, or under the loan documents.
